Anchor Moving & Storage

Despite the recession, Anchor Moving & Storage has seen tremendous growth over the last three years and has been able to provide jobs for 40+ employees and their families. Located in Moorestown, NJ, with an uncompromising focus on customer satisfaction, Anchor Moving & Storage has nearly tripled in size over the past several years under its new leadership, Mike Jenkins and Ed Reeves. Anchor's affiliation with Wheaton World Wide allows Anchor M&S to live by its motto: "Small enough to Care while BIG enough to get the job done".

Anchor Moving & Storage services residential as well as office and industrial moves with the same care. Anchors' well trained crews are devoted to helping people and businesses move on with their lives in the safest most economical means possible.

- The 49th fastest growing company in the Philadelphia metro area
- The 68th fastest growing company in New Jersey
- The 2228th fastest growing company overall in the United States

Anchor's growth is attributed to both organic efforts as well as strategic acquisitions in the local market. In 2012, Anchor M&S relocated its headquarters from Edgewater Park, NJ to the affluent town of Moorestown, NJ. AMS was able to secure a lease for a building previously operated by a former Atlas agent that offered more office and warehouse space and centrally located to major arteries and bridges.

In 2013, Anchor M&S will finish the year as the 8th largest COD booker as an agency for Wheaton Van lines, led by Ray Moore who is ranked #5 in the country for individual HHG sales.

While Anchor's rapid growth is impressive, quality was not forgotten. Anchor M&S maintains an A+ rating with the NJ BBB and in July 2013 was awarded "agent of the month" by Wheaton Van Lines among its 270+ fellow agents.

In November, 2013, SJ Biz Magazine recognized President, Mike Jenkins as one of the areas "Executives of the Year" and "one of the most respected names in business".

In 2010, after 20 years in the business and along with the support of his friends & family, Mike purchased Anchor Moving & Storage from its previous owners: Bernie and Pat McClain. In Mike's newly established position as President at Anchor Moving & Storage, Anchor has already amassed an impressive list of successful moves for organizations such as: Sungard, State of NJ Treasury Dept., College of NJ, Rowan University, Lincoln University, Rutgers, Convatec, Voorhees Municipality, DYFS, Merrill Lynch, Magrann Associates, Sea Isle Library, Scott Trade and a list of others.

Vice President/co-owner, Ed Reeves has been a key component in ensuring Anchor M&S is in position, operationally, to handle Anchor's growth by assembling and recruiting the finest crews. Ed's 30+ years of experience and past relationships have helped Anchor grow with the increasing demand.

Anchor is proud to employ an operations and administration staff that enjoy witnessing and being a part of Anchor's unfounded growth and recognition. The staff as a whole is really what makes Anchor Moving & Storage a success.
